

Modern Liberalism Societal Sociopathy (antisocial behavior)

Driving Forces

The Age of Enlightenment 1700's. The French Revolution, 1789 Law, morality, religion rejected. The god of Reason established.

Modernity - 1800's 'Modernity, the child of the Enlightenment, failed when it became apparent that the god society cannot be achieved by unaided reason.' (STG, p. 4)

Modernism - Began late 1800's 'The response of liberalism was not to turn to religion, which modernity had seemingly made irrelevant, but to abandon reason. Hence there have appeared philosophies claiming that words can carry no definite meaning or that there is no reality other than one that is 'socially constructed.' (STG, p. 4)

'It depends upon what the meaning of 'is' is'

Causes Of

Affluence

Results In

- A Life Centered on Consumption / Devoid of Meaning and Purpose
- Boredom and Idleness, the "devil's workshop"
- An obsession with technology that leads to Personal Convenience
- The expectation that Personal Convenience is a natural right not to be denied under any circumstance
- Impatience when the realities of life upset or destroy that expectation

The rejection of religion, law, morality, cultural tradition

- "A person whose main difficulty is not crop failure but video breakdown has less need of the consolations and promises of religion." (STG, p. 9)
- The reality of death being inescapable, Purpose to life is sought for in...
 - Naturalistic avenues
 - Some cause that is bigger than the empty existence of a purposeless life

The rejection of reason, 'Group-think' practiced

- Philosophies claiming
 - 1) That words can carry no definite meaning
 - 2) That there is no reality other than the one that is 'socially constructed' (STG, p. 4)
- Animal Rights Movement
 - The "Animals are People Too" Movement
 - On what moral basis are animals to be afforded 'rights' when higher moral authority is denied?
- Environmental Movement
 - "We don't need Science. We create it."
- Radical Feminism / Women's Rights / Pro-Abortion Lobby
 - Which protests the freeing of women from Islamist oppression in Afghanistan and Iraq
 - "Men are happy for men to be men and women to be women: women want us all to be women." (Fred on Everything); Isaiah 3:12
- No fulfillment is found in reason so Causes tend to be Emotional Appeals. Causes are therefore sought after with shameless hypocrisy
 - Various "One World" movements & Peace societies.
 - Those who do not understand, or simply ignore, the dark-side of human nature as exhibited 24x7 for thousands of years.
 - PETA
 - Supports the restaurant firebombing Animal Liberation Front
 - Relies on the unethical exploitation of women at many of their public 'protests'. Likened women to pigs in at least one legal case
 - "Human Rights" organizations
 - That are deathly silent about abuses until a Conservative government acts against those abuses whereupon the liberator is portrayed as the worst "Human Rights" violator to exist

The hopeless pursuit of self-justification by eroding standards which condemn self

Tactics

- "Political Correctness" movement. The Thought Police
- The Redefinition of Words. Control the language and you control the thoughts, behavior and debate of people and ideas
- Because reason and logic are usually against Radical Liberalism's ideology, they turn to Demonization of Opposition
- Because a large majority of society does not want Radical Individualism or Radical Egalitarianism, Modern Liberals are overturning the choices made by voters through skillful use of the liberal court system. E.g. cases are brought before liberal circuit courts, like the 9th Circuit Court in California.
- They took over many major educational institutions years ago to corrupt the minds of the young
- The creation of "Crises" (the plural for 'crisis') that only Leftists can save the world from. E.g.
 - Nobody wants peace except leftists
 - Nobody wants to breathe clean-air except leftists
 - Nobody wants to "save" the planet except leftists
 - Nobody wants to have clean drinking water except leftists
- Creation of Victim Groups

- Propaganda / Lies / Disinformation / Obfuscation / Distortion of Facts and their Context
- Emotional Appeals

Expressed In

Culture "all human behavior and institutions, including popular entertainment, art, religion, education, scholarship, economic activity, science, technology, law, and morality" (STG, p. 2)

Politics "Politics is a lagging indicator" of the state of a culture (STG, p. 2)

Results In

Social:
1) A loose **Eraternity** of 'Aggrieved' 'Victim' groups who rally around the liberal institutions and individuals who champion 'equality', 'restitution' and 'justice' on their behalf. This is a "coalition of the bribed, the coerced, the bought and the extorted" or as another labeled it, a coalition of "the bribed, the bullied and blind". (STG, p. 1)
2) No Societal Unity / **Eraternity** Competing groups battle using politics "shatter a society into fragments of isolated individuals and angry groups." (STG, p. 1)
3) Societal and Cultural Rot Ending in A Lawless and Morally Perverse Society Moral absolutism is rejected in favor of moral relativism. All restraints that come from religion, law or moral codes are discarded. "If it feels good, do it." Societal sociopathy is the enabler, and justifier, of personal/individual manifestations of sociopathy.

- Hollywood's vulgar & profane 'Entertainment' industry
- The Pro-Abortion industry
- The Violence industry
- Hedonism
- Narcissism
- "Lifestyle choice" movement
- Drug culture
- The "Free-Love" movement

Education:

- Sensitivity training of children to not only accept but embrace 'alternative lifestyles' (Brainwashing)

National Politics:

- Seditious acts are no longer recognized or declared as "sedition," but rather are merely acts of "free-speech", "the exercising of rights", and "patriotic".

International Politics:

- Naive "live and let live" advocacy. Unable to see the dark ("what's dark?") side of human nature, Western (American) Policies are made responsible for everything from the rise of Hitler to international hunger. The claim is made that "all people" everywhere want peace, prosperity &c. Ignoring thousands of years of tyrannical bloodthirsty leaders, thousands of years of Islamo-Facist aggression and genocide against Jews and Christians &c.

Science:

- Unrestrained scientific research with no ethical or moral restraints
- Science is freed from the shackles of truth telling to support the party line

Religion:

- True Satanism - Which is Self-Worship

Severe career penalties for those not willing to tote the "fashionable" party mentality

Promoted By

- "Defining Deviancy Down" Defining hedonistic behavior as progressive, tolerant, loving (STG, p. 3)

Reigns Where

- "demanded when there is no danger that achievement will produce inequality and people wish to be unhindered in the pursuit of pleasure" (STG, p. 5)
- Sexuality
- Popular 'Art' - Deviant art is sought out and funded by tax payer dollars through National Endowment for the Arts and other means

Reigns Where

- Quotas
- Affirmative Action
- Radical Feminism

An Iron tyranny run by elites who oppress the masses in an effort to equalize outcomes Unrestrained if Finally Ends In

Radical Individualism No limits to Liberty for personal gratification

Radical Egalitarianism "The Equality of outcomes rather than of opportunities"

"1) Radical Individualism, unrestrained flesh, is like Clay (Job 4:19; Isaiah 45:9, 64:8; Dan 2:43). Radical Egalitarianism is only possible where iron-ruler tyranny of Government oppresses achievement. Together the iron and clay hold a loose confederation.
"2) Thus the irony of liberals claiming they will bring "unity," ironically their prescription is for more politicization of the culture which simply results in more cultural clashes. (STG, p. 1) Liberalism profits by the creation of and pitting of groups against one another.

- Blacks are pitted against whites (Jesse Jackson/Al Sharpton and other race-hustlers)
- Have-nots against Haves
- Women against Men (feminism)
- Gays against Heterosexuals

"3) any act, even including murder, is justifiable as a reaction to 'oppression', and that there are no moral or ethical standards, only lifestyle choices." ... "A world in which communism and fascism are merely lifestyle choices, and vegetarianism and cannibalism are merely equivalent gastronomic alternatives, would be the ultimate expression of relativism." (<http://entropy.brneurosci.org/relativism.html>)

The aggrieved groups are portrayed as 'Victims', no matter what accommodations are made for the 'Victims' by society.
"Proponents engage in a never-ending search for fresh grievances" (STG, p. 10)

- Feminism
- Race hustlers and Shakedown artists

"That modern liberalism is societal sociopathy was demonstrated in the 2004 election cycle when Democrats gave lip-service to 'reclaiming the American flag', the symbol of American values. If their policies were faithful to the American society's values there would be no need to do this."
